Dear Anita,

On behalf of everyone at Jewish Family Service, I want to thank you and Milestone Bank for your incredibly generous contribution of \$[REDACTED] to support our Safety Net Program. With this donation we are thrilled to recognize Milestone Bank as a 2024 Corporate Partner at the Advocate Level, both on JFS' website and in printed materials for one-year.

Your funding will help us to provide vital support to families who are facing financial emergencies, food or housing insecurity, need for mental healthcare services, or need for help to access other basic needs. Our goals are to help people navigate their way through crisis and stay healthy, stable, and housed while working toward self-sufficiency.

Jewish Family Service's long tradition of caring for others is based on the value of performing good deeds and the belief that all people deserve dignity, compassion, and help. We are extremely grateful for your partnership in this work.

Warmest regards,

Nicole Levy
Director of Development
